

We're Recruiting!

**Are you searching for community? For an adventure? For diversity?
Do you have a lot of love to give?**

If so, we invite you to experience L'Arche! Embark into the story of a house and a community, where people with and without intellectual disabilities share the beauty and the challenges of daily life.

L'Arche's mission is to reveal the talents of people with intellectual disabilities who, through their gift of relationship building, foster a more caring and community oriented society. These are the people who are at the core of L'Arche communities, and who invite you to come and share their daily life. L'Arche members are experts in welcoming, in wonder, in spontaneity and truth.

L'Arche isn't trying to be a solution, but rather a sign that a more humane society is founded on respect and openness.

“ IT'S A WONDERFUL OPPORTUNITY WHERE YOU GET TO MEET LOTS OF PEOPLE. AND YOU ARE REALLY INTEGRATED INTO THE CULTURE AND THE COUNTRY! ”

- Marjorie, Volunteer at L'Arche Uganda

What is L'Arche life?

- Participating in community activities and sharing daily life with each resident.
- Creating relationships which support the community members and helping to foster a warm atmosphere.
- Being part of the team of assistants completing household tasks as needed to support the smooth running of the house and/or workshop.

There are more than 150 L'Arche communities and nearly 30 project communities around the world, from Argentina to Zimbabwe. We invite you to check out our website to learn more about our communities, our history, our mission and our stories. <https://www.larche.org/>
